- b) Similarly, persons other than whistleblower who are assisting to carry out the investigation should be accorded protection in same way like whistleblower.

6. DISQUALIFICATIONS

- (a) Protection under this policy should not mean protection from disciplinary action arising due to false allegations made by a Whistleblower knowing it to be false or with a malafide intention.
- (b) Whistleblowers who make two or more protected disclosures which are subsequently found malafide, baseless, malicious or otherwise than in good faith will be disqualified from reporting further.

7. REPORTING

- (b) The complainant shall be subject to disciplinary action in accordance with the rules, procedure and policy of the Company.

8. CONFIDENTIALITY

The persons associated with the investigation including Audit Committee Members, Members of Investigating Agency, Complainant, whistleblower and other persons involved shall maintain strict confidentiality relating to investigation, desist from discussing with others about the investigation matter unless required for investigation purposes only and keep all the papers in a secured place at all the times when investigation is in progress.
